

## FT WAYNE ASG MYSTERY QUILT 2024

### CLUE 5

You now have your rows sewn together. Next we are going to make the sashing strips for between your 5 rows.

Take a 2 ½ inch patterned square and sew it onto the end of one of your 2 ½ in x 12 ½ inch background sashing strip. Sew a 2 ½ inch patterned square to the end of the sashing strip. Repeat this until you have 5- 2 ½ inch patterned squares joined with backing strips as shown in the diagram below.

You will make 6 of these strips to join your rows together with one strip on top and one strip on the bottom of your stars.
