

FT WAYNE ASG MYSTERY QUILT 2024

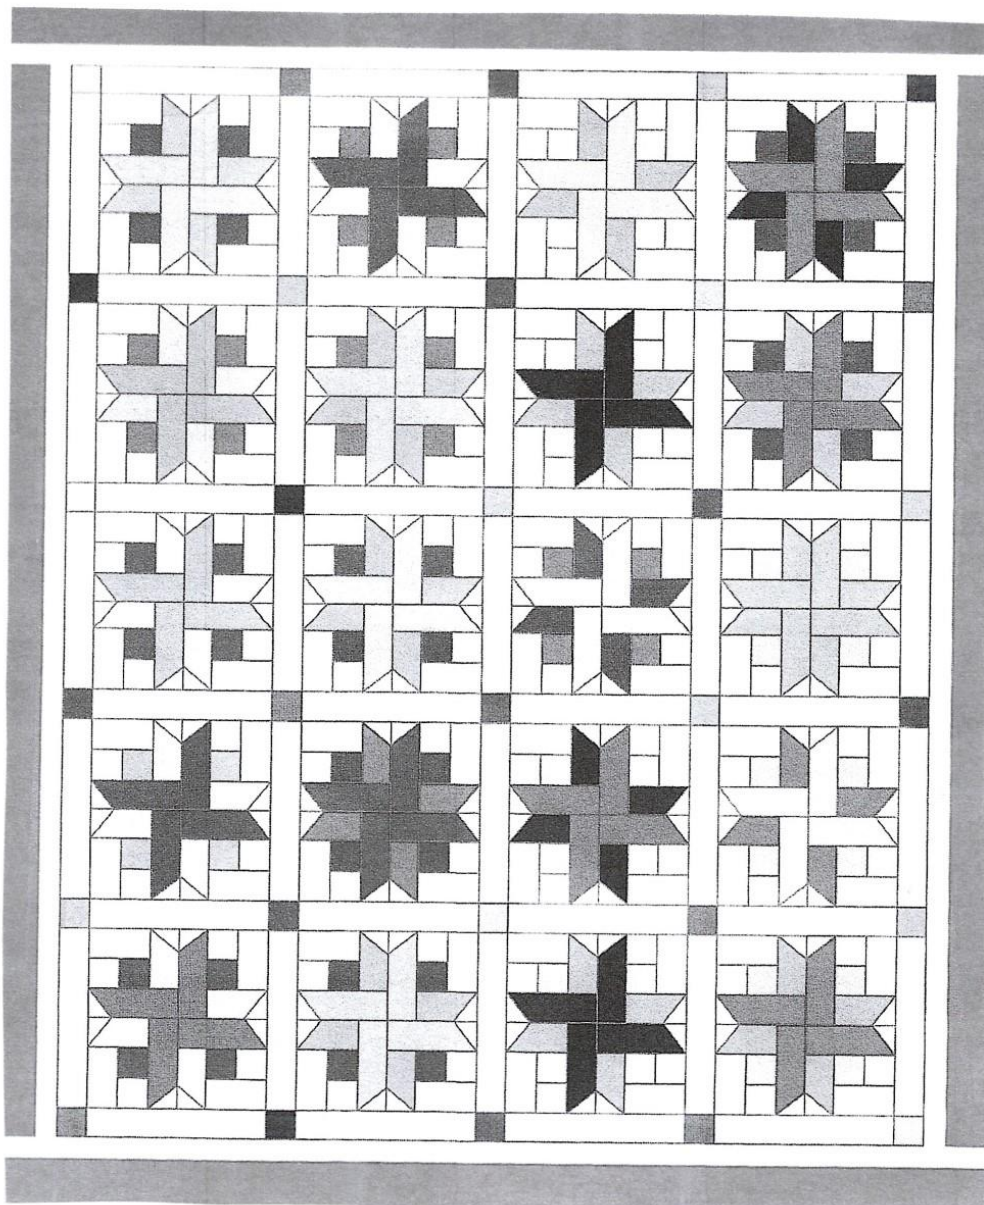

CLUE 6

In the last step you made your sashing strips with cornerstones to join your rows of blocks together and have assembled your quilt.

Now it is on to the border. You can choose to finish this quilt any way you'd like it. Add an inner border?? Add an outside border?? Just bind it the way it is? This is entirely up to you.

If you wish to add a large border, cut 5 ½ inch strips of your border fabric to make your borders.

Quilt and bind as to your own taste.

I hope you have enjoyed this year's Mystery Quilt!!!! If you have questions, please contact me, Lisa Merkle, at 419-230-0250 or Marilyn Morgan at 419-203-7016.
