

# ASG FT WAYNE MYSTERY QUILT 2024

## CLUE 1

For each sub block you will need 1-2 ½ inch print square, 1- 2 ½ inch background square, 1 matching 4 ½ inch print rectangle, 1 background 4 ½ inch rectangle, and one matching 6 ½ inch print strip. You will also need 2- 2 ½ inch background squares for snowballing corners.

You will need to use your two 2 ½ inch background squares to snowball the corners of your 4 ½ inch print square and your 6 ½ inch print square.

Take your 4 ½ inch print strip and snowball the top corner left to right as shown. Your print strip will be to the left of you as you snowball your corners.

Take your 6 ½ inch print strip and snowball the corner right to left as shown. Your print strip will be to the right of you as you snowball your corners.
