## CLUE 4

Now that you have completed your 20 star blocks, lay them out in rows 4 blocks across and 5 blocks down. Arrange them to your liking.

Take your 2 ½ inch by 12 ½ inch background sashing strips and put them on the side of your blocks and sew them together to make rows as shown below. Note that you will put a sashing strip before your first block as well as after your last block in the row.

Do this for each of the 5 rows of blocks.
