

FT WAYNE ASG 2025 MYSTERY QUILT
CLUE 3

Using a $\frac{1}{4}$ " seam allowance, sew a 2" accent strip to the top and bottom of a 7" background strip. Press the seams toward the background fabric. Make 4.

Cut each of these strip sets into (21) 2" increments to create a total of 82 "C" units.

Wall Hanging Size
Clue # 3
Seam Allowance $\frac{1}{4}$ "
C Unit

1. Take One $3\frac{1}{2}$ " light (background) strip and two $1\frac{1}{4}$ " dark (accent) strips and sew to either long side of the light strip.

2. As in Unit B - You will need 50 "C" sub cuts so depending on how many subcuts you can get from a width of fabric, you'll need to make a shorter second strip set.
3. Press seams to the dark side.
4. Align long edge of strip to line on mat and sub cut every $1\frac{1}{4}$ " .
You'll need 50 units.
